PRODUCT DESCRIPTION

Aspire MAXI Lifestyle Community Bed is a robust, electrically operated bed designed for individuals weighing up to 350kg. Its spacious super-king size mattress platform, combined with a long sleeping surface, ensures comfort and safety. The bed's innovative folding mechanism allows for easy transportation and storage, while its four total-lock castors provide excellent maneuverability. Equipped with advanced features like auto-regression and adjustable height, this bed enhances patient care and reduces caregiver strain. Crafted with a durable steel frame and reliable Linak electronics, the Aspire MAXI offers exceptional quality and performance, making it an ideal choice for healthcare facilities and home environments.
