PRODUCT DESCRIPTION

The Aspire Stump Support is a versatile accessory designed for individuals who use wheelchairs and have an amputation. The cushioned pad provides a comfortable surface for the stump to rest on. The Aspire Stump Support offers stability and comfort for individuals with amputations, allowing them to use their wheelchair with confidence and ease.

Left and Right amputee supports available.

Suitable for wheelchair models: Aspire Evoke 2, Transit 3 & Assist 3

Please note- not all sizes may be kept in stock and sometimes there is a small dispatch delay of 1-2 weeks.
