PRODUCT DESCRIPTION

The Breezy BasiX² is a lightweight folding wheelchair designed for adjustability, rigidity, and modern style. With recent improvements, including greater seat depth adjustment, a tension-adjustable backrest, and a robust castor attachment, this wheelchair is ideal for daily use, fleet management, or personal mobility.

The ultra-lightweight frame is engineered for personalised comfort and easy function. Adjustable seat heights allow lowering for foot propulsion if needed. Flip-back armrests make transferring in and out effortless. Quick-release wheels provide easy storage or transport, while front-accessible wheel locks ensure safety on any surface.

Key Features

- Lightweight folding frame for easy transport and storage
- Seat depth adjustable from 41cm to 46cm
- Tension-adjustable backrest, extendable from 41cm to 46cm
- Robust castor attachment angles: 0°, 3°, and 6°
- Flip-back armrests for easy transfers
- Quick-release wheels for storage or transport
- Front-accessible wheel locks for safety
- Modern, clean design suitable for personal or fleet use

User-Friendly Accessories

- Half folding backrest
- Height-adjustable armrests for improved comfort
- Elevating legrests for better positioning and circulation
- Step tube to assist caregivers over curbs
- Crutch holder for hands-free transport

Frequently Asked Questions (FAQ)

Q: What is the weight of the Breezy BasiX²?
A: It is lightweight, making transport and daily use easier for users and caregivers.

Q: Can the seat depth be adjusted?
A: Yes, the seat depth adjusts between 41cm and 46cm for personalised comfort.

Q: Are accessories available?
A: Yes, you can add adjustable armrests, elevating legrests, a step tube, crutch holder, and a half folding backrest.

Q: Is this wheelchair easy to store?
A: Yes, the folding design and quick-release wheels make storage and transport simple.

Q: Can it be used in fleet management?
A: Absolutely. Its adjustability, lightweight design, and durability make it ideal for fleet applications.

Why Choose the Breezy BasiX²?

The Breezy BasiX² combines modern design, lightweight portability, and practical adjustability. It offers personalised comfort and easy handling, making it ideal for both personal use and fleet management. With its robust frame, versatile accessories, and user-friendly features, this wheelchair enhances mobility while maintaining style and convenience.
