PRODUCT DESCRIPTION

CONNI TOILET MAT - ABSORBENT, WATERPROOF & NON-SLIP BATHROOM FLOOR PROTECTION

Keep your bathroom clean, dry, and safe with the Conni Toilet Mat. Specifically designed to fit securely around the base of your toilet, this absorbent and waterproof mat protects floors from spills, splashes, and accidents. It's perfect for homes, aged care facilities, and disability support environments where safety is a top priority.

The mat features a soft, absorbent surface and a non-slip rubber backing that firmly grips hard floors like tiles, timber, and vinyl. As a result, it reduces the risk of slips and falls, giving peace of mind to both users and carers alike.

Available in [Royal Blue](#), [Grey](#), and [Pebble](#), this toilet mat blends discreetly into various bathroom styles while providing reliable protection.

Key Features & Benefits

- **Waterproof & Highly Absorbent:** Quickly captures spills and moisture, keeping floors dry.
 - **Non-Slip Rubber Backing:** Ensures the mat stays firmly in place on hard flooring.
 - **Soft, Comfortable Surface:** Feels gentle underfoot, yet remains durable and effective.
 - **Contoured Design:** Fits neatly and flat around most standard toilets for a secure fit.
 - **Easy to Clean & Maintain:** You can machine wash the mat for hygiene and convenience.
-

Why Choose the Conni Toilet Mat?

This mat helps you reduce slips and falls in the bathroom. Moreover, it manages incontinence-related spills discreetly while adding comfort and safety around the toilet.

For enhanced bathroom safety, explore our full range of [Daily Living Aids](#) and [Incontinence Products](#) that complement your bathroom setup.

Frequently Asked Questions

Q: What materials make up the Conni Toilet Mat?

A: The mat combines a soft, absorbent top layer with a waterproof barrier and a non-slip rubberised backing to keep it stable on hard floors.

Q: Can I machine wash the mat?

A: Yes, you can easily machine wash the Conni Toilet Mat to maintain cleanliness and prolong its life. For detailed care instructions, please see our [Conni Floor Mat Care Instructions \(PDF\)](#).

Q: Will the mat fit around my toilet?

A: Yes, it contours around most standard toilet bases, laying flat and secure to protect your floor

effectively.

Q: Is the mat suitable for managing incontinence spills?

A: Absolutely. The mat absorbs spills quickly, making it an excellent choice for individuals managing incontinence or carers assisting with toileting.

Q: What colours does the mat come in?

A: The mat is available in Royal Blue, Grey, and Pebble, a soft neutral shade that complements many bathroom décors.

Q: Can I use the mat on all floor types?

A: Yes, the non-slip backing allows it to stay securely on hard flooring such as tiles, vinyl, and timber.

Q: Do Conni mats grip well on all floor types?

A: Our Conni anti-slip floor mats perform best on clean, smooth, and flat surfaces. However, water, moisture, or textured flooring can reduce their grip.

Water trapped underneath the mat—especially on sealed or non-porous floors—prevents evaporation and creates a thin barrier that compromises the mat’s ability to hold firm. Likewise, uneven, textured, or dirty surfaces may reduce anti-slip performance.

Therefore, to ensure optimal grip, always place the mat on a dry, smooth floor, and avoid carpet, rough tiles, or areas where water may pool underneath. If liquid builds up under the mat, allow the area and the mat’s underside to dry before continued use for best results.
