PRODUCT DESCRIPTION

The Homecraft Folding Over Toilet Aid Commode is constructed from lightweight and durable aluminum, making it one of the lightest on the market at just 3.8kg. Its folding frame design ensures easy storage and portability, making it perfect for use in any home. The frame is height adjustable, ranging from 470-630mm, and features non-slip rubber feet for added stability. The armrests provide additional support for standing, while the plastic seat is hygienic and easy to clean.

This versatile piece of equipment can be used as a shower chair, bedside commode, or with a bowl and lid for added convenience. Its compact, foldable design and lightweight construction ensure easy portability. Note that the bucket and lid are not included.

The Homecraft Folding Over Toilet Aid Commode boasts a seat width of 480mm and an overall width of 535mm, providing maximum comfort and safety for users. It has a safe working limit of 100kg and offers height and width clearances of 420-580mm and 420mm, respectively. The frame also comes with a lifetime warranty against rust, ensuring long-lasting durability.
