

## HOMECRAFT KITCHEN STATION

**SKU:** HOM-1927

### **SPECIFICATIONS**

Size: 50 cm X 30 cm

### **PRODUCT DESCRIPTION**

The Homecraft Kitchen Station is an adaptive kitchen aid designed to make cooking prep easier for individuals with the use of only one hand. This durable chopping board features suction cup feet that secure it in place, even on wet countertops. It includes a removable grater, slicer, raised L-shaped corner, removable stainless steel spikes, and a removable clamp, allowing for versatile and independent food preparation. The Homecraft Kitchen Station is dishwasher safe for easy cleanup and is free from BPA, phosphates, and latex, ensuring safety and convenience in your kitchen.
