User Weight: 50kg - 130kg

Warranty: 2 Year Warranty

### **WARRANTY**

2 Year Warranty

### **PRODUCT DESCRIPTION**

The iCare Reform Full Back Support is designed to relieve back pressure and improve posture. Its ergonomic shape naturally contours to the spine, supporting both the upper and lower back. You can

use it in any chair or seat, and the included elastic strap keeps it securely in place. This cushion helps maintain proper alignment and reduces discomfort during long periods of sitting or resting.

## **KEY FEATURES**

- Ergonomic shape – contours to the back with extended upper arms and a two-way curve for lower back support
- Charcoal-infused ActiveX™ core – high-density material that reduces pressure and regulates temperature for comfort
- Versatile use – fits in chairs, office seating, or recliners; elastic strap keeps it stable
- Medium feel rating – firm yet comfortable for long-term support
- Durable, washable cover – 100% recycled polyester outer cover with mesh inner lining; machine washable for easy cleaning

## **EVERYDAY BENEFITS**

The iCare Reform Full Back Support cushion redistributes weight to reduce pressure points and alleviate back pain. Its charcoal-infused ActiveX™ core adapts to your back, providing consistent support while maintaining a comfortable temperature.

You can use this cushion at home, in the office, or in a clinical setting. It is ideal for anyone needing extra lumbar support, including people recovering from surgery or those who spend long hours sitting. The secure elastic strap ensures the cushion stays in place, allowing you to move freely while maintaining correct posture.

Additionally, the cushion's ergonomic design promotes spinal alignment and supports overall comfort. It helps prevent slouching, reduces fatigue, and improves daily sitting posture, making it a practical solution for everyday use.

## **WHY CHOOSE THE ICARE REFORM FULL BACK SUPPORT?**

The iCare Reform Full Back Support combines ergonomic design with high-density charcoal ActiveX™ material. It effectively reduces back pressure, improves posture, and provides superior support for long periods of sitting. The removable, washable cover ensures easy maintenance, making this cushion a practical choice for home, office, or clinical use.
