PRODUCT DESCRIPTION

The iCare Reform Neck Support is designed to provide effective neck support with a unique moulded shape that includes lateral support. It helps maintain correct posture while seated, reducing tension

and discomfort in the neck and upper spine. The cushion's ergonomic design makes it suitable for use in office chairs, recliners, or any seating arrangement.

KEY FEATURES

- Ergonomic moulded design – contours to the neck and upper back, providing lateral support and maintaining posture
- Charcoal-infused ActiveX™ core – high-density material adapts to your shape, reduces pressure, and controls temperature
- Medium feel rating – firm yet comfortable for extended use
- Versatile use – ideal for office chairs, home seating, or recliners
- Durable, washable cover – 100% recycled polyester outer cover with mesh inner lining; machine washable for easy maintenance

EVERYDAY BENEFITS

The iCare Reform Neck Support Cushion promotes correct neck and upper spine alignment while reducing strain during long periods of sitting. Its charcoal-infused ActiveX™ core molds to the body, offering consistent support and comfort.

This cushion is perfect for home, office, or clinical use. It supports proper posture, alleviates tension, and helps prevent discomfort caused by slouching or prolonged sitting. The lightweight design and ergonomic shape allow for easy placement, while the washable cover ensures long-term hygiene and durability.

WHY CHOOSE THE ICARE REFORM NECK SUPPORT?

The iCare Reform Neck Support Cushion combines ergonomic design with high-density charcoal ActiveX™ material to deliver superior support and comfort. It maintains lateral neck support, improves posture, and reduces pressure in the upper spine. Its washable cover ensures convenience and long-lasting usability, making it an ideal choice for everyday sitting.
