PRODUCT DESCRIPTION

he iCare Pillow Protectors provide 100% waterproof protection for your pillows while maintaining a noiseless, breathable surface. Designed to protect against liquids and stains, these fully enclosed protectors help maintain hygiene and extend the life of your pillows. The breathable backing allows moisture to dissipate, keeping your pillow fresh and comfortable throughout the night.

Key Features

- 100% Waterproof: Protects pillows from liquid and stains
- Fully Enclosed: Zips completely around the pillow for full coverage
- Breathable PU Backing: Ensures comfort while keeping the pillow protected
- Machine Washable: Easy to clean and maintain
- Available in Pairs: Sold as a set of two
- Suitable for All Pillows: Fits standard and specialty pillows

Everyday Benefits

Using the iCare Pillow Protectors helps maintain a clean and hygienic sleep environment. They prevent spills, stains, and moisture from affecting your pillows, ensuring your sleep remains comfortable and your bedding stays fresh.

Usage & Care

Simply zip the protector around the pillow to fully enclose it. Machine wash as required to keep the protector clean. The breathable backing ensures the pillow remains comfortable and fresh for everyday use.

Why Choose the iCare Pillow Protectors?

Choose iCare Pillow Protectors for complete pillow protection combined with comfort and convenience. Fully enclosed, waterproof, and breathable, they are ideal for maintaining hygiene and prolonging the life of your pillows in any homecare or domestic setting.
