PRODUCT DESCRIPTION

Freedom Chair Mighty Plus DE09 - Bariatric Electric Folding Wheelchair

The **Freedom Chair Mighty Plus DE09** is a true game-changer in mobility support. Built for performance, portability, and comfort, it's the only **bariatric electric folding wheelchair** with a **patented split-frame design**, making transport and storage significantly easier. Whether you're at home, travelling, or on the move, this powerful chair supports your independence every step of the way.

What truly sets the **Mighty Plus DE09** apart is its **exceptional 190kg weight capacity**, paired with **dual 350W brushless motors** that deliver reliable, responsive performance. The split design allows the frame to separate into manageable parts, reducing the lifting weight and making it ideal for transport in most car boots.

Key Features:

- **190kg weight capacity** – built for heavier users without compromising comfort or performance.
- **Patented split-frame design** – separates into two parts for easier lifting into vehicles.
- **Dual 350W brushless motors** – powerful, efficient, and low maintenance.

- **Airline-approved lithium batteries** – travel-ready and expandable with up to 3 battery packs for extended range.
- **Adjustable armrests** – forward, height, and width adjustable for personalised comfort.
- **Backrest angle adjustment** – tilt support for posture and relaxation.
- **Pneumatic front and rear tyres** – absorb shock for smoother outdoor use.
- **Electromagnetic braking system** – for enhanced safety and control.
- **Adjustable footrest** – accommodates users of varying heights.

Whether you're navigating tight indoor spaces or cruising outdoors, the **Freedom Chair Mighty Plus DE09** delivers a smooth, secure, and customisable ride. It's designed to restore freedom, not just mobility.
