PRODUCT DESCRIPTION

The Redgum Heavy Duty Quad Cane is a reliable walking and balancing aid designed for maximum support and comfort.

Whether you're left or right-handed, this cane offers versatility and ease of use and will support a weight capacity of 227kg.

With its height-adjustable feature and locking collar, it ensures a secure fit tailored to your needs. Crafted from lightweight aluminium and steel, it provides durability without compromising on portability. The large low-profile offset quad base offers stability on various surfaces, while the soft foam hand grip ensures a comfortable hold. Complete with rubber tips, this cane offers a secure footing wherever you go.
