PRODUCT DESCRIPTION

The **Redgum ComfiGEL Space Saver Shower Chair Gel Pad** has been specifically designed as an

addition to the Redgum Space Saver Shower Chair, providing a gel pad that relieves pressure whilst seated on the shower chair. It features a 10mm thickness with an adhesive base to keep in place and prevent slipping, while being easily removed and cleaned to then be stuck back down. It has a safe user weight capacity of 130kg.

While specifically designed to fit the **Space Saver Shower Chair**, this Gel Pad can be put on any other chair that fits these dimensions or close too.
