PRODUCT DESCRIPTION

Stay dry and confident all day with the StayDry Men’s Trunk – 400ml. Designed for men managing incontinence, these trunks combine superior comfort, discreet protection, and everyday practicality. Crafted from premium bamboo fibres, they feel soft against the skin, are breathable, and naturally antibacterial, ensuring long-lasting freshness.

The sewn-in “floating” pad adapts to your movements, providing reliable leak protection without bulk or discomfort. Made with advanced Breathe Cell™ waterproof technology, these trunks are fully waterproof, highly absorbent, and quickly wick away moisture to keep you dry. Whether at work, home, or on the go, they offer discreet and effective protection, allowing you to stay active and comfortable throughout the day.

Built with odour-control and antibacterial layers, the Men’s Trunk helps prevent unwanted smells while maintaining hygiene. Available in 250ml and 400ml absorbency options, they are perfect for light to moderate incontinence and ideal for daytime wear. The sleek design ensures a snug yet flexible fit that moves with your body, combining style, functionality, and confidence.

Machine washable and tumble-dry friendly, these trunks are easy to care for, providing a reusable and environmentally friendly alternative to disposables. The StayDry Men’s Trunk – 400ml is a practical and stylish solution for men seeking reliable, comfortable, and discreet everyday protection.

Product Care Instructions

Give your Staydry underwear a quick wash before the first use to get them ready! Simply pop them in the washing machine and tumble dry on a medium setting (up to 80 degrees). Avoid bleach or fabric softeners—they can reduce absorption, and we want our undies to work their best for you.
