PRODUCT DESCRIPTION

The Side Folding Carrier with Sun Canopy Mount is an essential accessory designed to conveniently store your side folding walker while on the go. This carrier features adjustable hook positions to fit most side folding walkers comfortably. It also comes with a padded mounting hook that protects your walker from scratches and damage during transport. The adjustable strap securely holds the walker in place, giving you peace of mind as you travel.

Designed specifically for attachment to mobility scooters, this carrier includes a mount for the popular **X-Range Hard Sun Canopy**, allowing you to combine both products for enhanced comfort and weather protection. Its sturdy and durable construction ensures a long-lasting product that withstands daily use, while the compact design minimizes bulk and keeps your scooter looking sleek.

Installation and removal are quick and simple, requiring no specialized tools. Whether you're running errands or enjoying an outing, the Side Folding Carrier offers convenience and functionality, making it easier to take your walker along wherever you go.
